

Words Their Way for Parents!

Words Their Way is a teacher-directed, student-centred approach to vocabulary growth and spelling development.

The students are actively involved in games, sorting and focusing on the sounds, patterns and meanings of words.

Mondays is when we do most of our Words Their Way work. Throughout the week, we may play spelling games and complete the assignments handed out on Mondays.

At home, you can support their learning by reinforcing the skills taught at school.

Here's how you can support your child at home:
