

# Pyramid

This is an independent game.

## You will need:

1 deck of cards (Take out all face cards, and 10s)

\*Ace card = 1\*

## How to Play:

1. Deal out cards into a pyramid (1 card at the top, then 2 below it, then 3 below it, then 4, and 5) making a total of 5 rows.
2. Player must make 10 from only the OPEN cards (Open cards are the cards that do not have another card layered on top).
3. Player can replace cards, or re-deal if no sums of 10 can be made.
4. Goal of the game is to match all cards to make 10 until the pyramid is gone.
