

Podcasting 101 - Week 2 Bonus Homework

Conducting Interviews Practice

- ★ Partner A = interviewer (person asking), partner B = interviewee (person answering)
- ★ Each partner sets up their recorder for their own voice

Assignment:

- Start recording on each end, and introduce yourselves (name and grade)
- Partner A: Ask your partner about the one thing they are most PROUD of. It could be something at home, something about school or athletics, anything they want.
- Once they've answered, keep asking questions about their response until the timer goes off (total of 10 minutes). Why are they proud? How did they achieve this?
- When the time goes off, partner A and B switch roles.
