

Watch Ms. Barker's Video Message here:

[https://youtu.be/jrxFmB4O\\_qA](https://youtu.be/jrxFmB4O_qA)

**No Class Meeting this week.** Instead of a virtual

Class meeting, I will be using the time to video conference with students to complete a one-on-one check in. Please see the FLEX assignment below to sign up for a time.

**Changed Office Hours this week:** Unfortunately office hours will be limited this week to **Monday, May 25<sup>th</sup> from 10:00-12:00** and **Friday, May 29<sup>th</sup> from 1:00-2:00** while we prepare for an optional return to school for students on June 1<sup>st</sup>. If students need support with any of these weekly assignments, please ensure they reach out to me on teams during these times, or send me an email.

### This week for Language Arts.....

1. **Read daily for at least 30 minutes each day**
2. **Begin Natural Resource Project: Complete Research Questions**
  - **Read the Natural Resource Project Outline.** This is found on Microsoft Teams, as well as attached alongside this week's assignments outline (in a separate attached document). This project will be **completed over a two week period** and will be due by June 5<sup>th</sup>. I have outlined in the document the project timeline (research questions will be due by Friday, May 29<sup>th</sup>, and the Final project will be due by Friday, June 5<sup>th</sup>)
  - After Reading through the project outline, watch Ms. Barker's Video Lesson on this whole assignment: <https://youtu.be/dy94AjP5BRU>
  - **Use the Research Questionnaire attached in the outline to complete your own research on your Natural Resource.** You can print the answers and take a photo of your research questions, or submit a typed document to Teams.

**Submit your research it to Ms. Barker on Teams by Friday, May 29<sup>th</sup>.**

If you would like to get a head start on creating your "Final Product, go ahead! You can always submit it early, but it does not need to be fully completed until Friday, June 5<sup>th</sup>.

### This week for Math.....

- **Tigers: Log into your Math Group on Teams, and watch the video and do the assigned tasks from Ms. Routley**
  
- **Zebras and Panthers:**
  - 1) **Watch your video lesson on Benchmark Fractions:** <https://youtu.be/-N2FatkbEO8>
  - 2) Complete your assigned **IXL Practice: Level F, Activity T5**
  
  - 3) **Watch your video lesson on Fraction Concept Maps:** <https://youtu.be/156A5zg13oE>
  - 4) Complete your Fraction Concept Maps and **upload to Teams by Friday, May 29<sup>th</sup>.**

### **This week for FLEX: Virtual Check-in with Ms. Barker**

This week, you and your parents will sign you up for a time to meet with me virtually on Microsoft Teams one-to-one. **You will be able to choose a time slot between 12:30 and 3:30 on Tuesday, May 26<sup>th</sup> or between 10:00 and 12:00 on Wednesday, May 27<sup>th</sup>.**

**To sign up for your preferred time, click here:**

<https://www.signupgenius.com/go/70A0F48A5A92CA1F49-individual>

Each check-in will be 10 minutes. Please open teams to the "General Chat Page" a few minutes before your chosen time on your device, and wait for my call.

**To prepare for our check-in, you will need to:**

- **Be ready to read a short passage with me.** I will share my screen with you so we can both see the same text. It has been so long since I have heard you read aloud and I can't wait for it!
- **Have a response for these 2 questions:**
  - 1) What has been a highlight from your school year?
  - 2) What is something that you have learned from this year? (this doesn't have to be school-related- we have all been learning many things about ourselves during this time at home).

I am looking forward to connecting with each of you on a one-to-one basis and hearing your answers to these questions ☺

**Please register for a Video Conference Time by Monday, May 25<sup>th</sup>, and have your answers ready for your questions by your assigned time slot.**

### Summary of Assignments due on Teams this week:

1. Natural Resource Research Questionnaire
2. Fraction Concept Map
3. Please ensure you sign up for a time to meet virtually with me by Monday, May 25<sup>th</sup>.

**Due by Friday, May 29<sup>th</sup>** (you can upload and submit them earlier too!). Please upload these assignments on Teams using the "assignments" tool.

### Extensions....

If you would like more to do this week....

**Language Arts:** Choose a book on EPIC to read, and write a connection that you have to that story.

**Math:** Cook or bake a second recipe this week, and write down all of the fractions that you see in the recipe.

**Music:** Visit Mrs. Heard's music blog (<http://sd41blogs.ca/heard/>) and complete her assignment for week 7: "Vancouver Symphony Orchestra connects".

**Science: Two Whats and a Wow Podcast: The Science of Dreams** Listen to this short podcast about dreams and complete a KWL for it- something you knew about dreams, already, a question you have about dreams, and something you learned about dreams.

**P.E.: Dance Dance Noodlution.** Watch this video (<https://thekidshouldseethis.com/post/dance-dance-noodlution-movement-song-with-noodle-loaf>) and follow along to get your daily exercise in!

Have a great week, everyone! 😊
