

## - November's Five Fun Alphabet Games -

- Use the letters to make a matching game. Match the uppercase letters to the lowercase letters.
- Play concentration using 5 to 10 letters. Make two copies of each letter, cut them apart, and mix them up. Place them face down. Take turns picking up two at a time to find matches.
- Mix the letters up and have your child arrange them in alphabetical order.
- Use letters to make your own alphabet book. Print one letter on each page and use drawings or clip art to represent the corresponding initial letter.
- When your child is ready, build familiar words like *Mom*, *Dad*, *cat*, *pig*, *dog*, *bat*, and siblings or friends' names
