## Division 21's May Calendar

**Community Walks** Is anyone interested in having the class walk by their homes to say "Hi!" this month? Our class would love to take 2 or 3 walks in the neighbourhood to learn more about their surrounding community.

**Student-led Conferences (May 6)** These conferences take place in an Open House format where several children are in the classroom with their families at the same time. Your child will be leading the conference but some prompting from you will be very helpful. An agenda will be provided.

**Science World (May 25)** We will be visiting the Science World to continue our learning about forces and motion. Parent drivers will be leaving the school at 10:30 am and leaving Science World at 2 pm. Please send your child's **car seat**, and their **snack and lunch in a paper bag with their name** on the outside. (No backpacks will be brought.)

|  <span style="font-size: 2em; font-weight: bold; margin: 0 20px;">May</span>  |  |  |   |  |
|---|--|--|---|--|
| Monday  | Tuesday  | Wednesday  | Thursday  | Friday   |
| If you were king or queen of the world, what would you do first?<br>   | Tell a story about five angry bees. Draw a picture of the story.   | Point to and say the first and the last letters of each word on a book page.   | Trace around one of your feet. Make a silly picture from the tracing. | Design a flag that tells about you.<br>   |
| Hop from your kitchen to the front door. Count each hop aloud.  | Cut out a flower shape.<br>           | Set the table. Count the forks and knives.   | Name as many things as you can that start with the sound k.           | Name your favorite springtime sport.   |
| Write your first and last names.  | Write the names of the people in your family.  | Tell one way that spring is different from winter.   | List five words that rhyme with May.                                  | List five things that make you happy.<br> |
| Pantomime working in an ice-cream shop. Have someone guess what you are doing.  | Name five items made from wood.<br> | Compliment a family member.  | Name your favorite picnic food. Draw a picture of it.                 | Finish this sentence: <i>If I could teach everyone in the world one thing . . .</i>  |
| Give someone directions on how to walk from your bedroom to the kitchen.  | Name five items made from plastic.   | Use spoons and forks to make a pattern.<br> | Do something special for a neighbor.                                  | Write the numbers from 20 to 40.   |
