

Divisions 9 to 17 will have the opportunity to attend four sessions of ice skating with lessons and skate rentals (if required) at Bill Copeland and Burnaby Lake arenas. **The cost will be \$15.00.** This fieldtrip will enhance the part of the Physical Education curriculum which states, "A balanced physical education program includes opportunities for students to participate in alternative environment activities (e.g. skating, swimming, hiking)."

We will be requiring parent drivers who are available to drive both to and from the arenas and assist us with putting on skates. If possible, please consider helping on at least one day as we will not be able to participate in this opportunity without parent volunteers. Thank you.

All sessions will run from 9:30 -10:30am at Bill Copeland and Burnaby Lake. **We are asking all students to be at school on time so that we have enough time to organize rides, drive to the rink and get our skates on.** We will return to school at approximately 11:00 am.

**Each class has a different schedule and may be at different arenas each time. Your child's skating dates are listed below. All sessions will be from 9:30 – 10:30am:**
