enjoy!

 Mrs. Alderson

fill your jar!

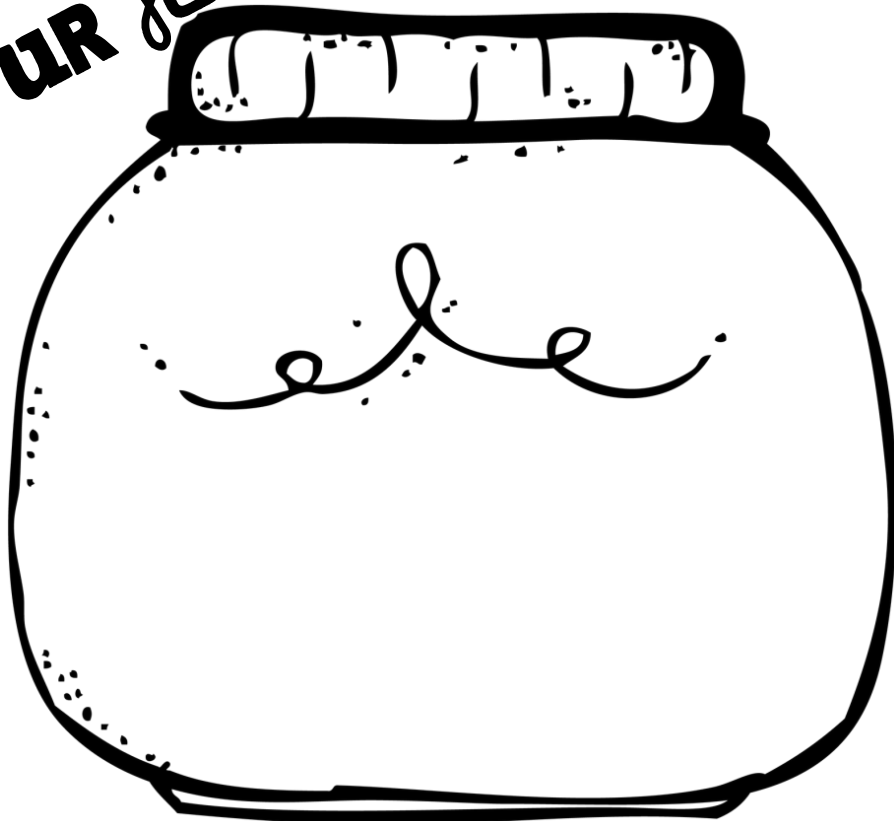

a RACE TO fill YOUR jar TO 20!

fill your jar!

fill your jar!

This is a simple game for your kids to play when they have completed their work early or need more practice counting to 20 with one-to-one correspondence.

Cut out the game boards (the jars) and back on cardstock then laminate. You may want to make multiple copies so more than 2 kids can play at a time.

Only one dice is needed. Players take turns rolling the dice and filling their jar with that number. The first person to fill their jar to 20 wins!
