

Morning message:

Good Morning. I hope you all enjoyed our visit with Mrs. Ishii yesterday. The music she played was very calm. Did you listen to the Eric Carle "[I See A Song](#)"? I did. It was cool—I love his art work. Maybe you can make some at home???

Gym Inside or Outside today???

INSIDE:

Check out the [Resources](#) page (look under Physical Health & Education) on our website for the dances we do inside our classroom when the gym is closed. They are all available on YouTube!

OUTSIDE:

Grab your skipping rope, a soccer ball or your bicycle and head outside to enjoy some exercise—If we were at school, we would continue to practice our skipping for the Jump Rope for Heart event...so skip away. If you're looking for a skipping challenge check out this image:

Under-the-leg Pass

1. Hold both rope handles in your right hand and do a one-handed side swing on your right side.
2. As the rope comes down toward your feet, lift your left leg and pass the handles under your left leg to your left hand.
3. With both handles now in your left hand, lift your left arm out to your left. Bring your left arm back and up, then forward and down, making small circles on your left side.
