

Halloween Hand Jive

There we were just walking down the street
Dressed up fine with a mind to trick or treat
Two grim ghosts and the Bride of Frankenstein
All over town but safe at home by nine
Crept up to the first house right at five
Screamed "trick or treat!" then did the hand jive

**Hand jive, Halloween hand jive, hand jive
Hand jive, Halloween hand jive, hand jive
Boo! Ah! Halloween hand jive**

Here comes Batman trying to do the twist
Handful of candy twitching in his fist
Jack O Lantern dancing to the stroll
Superman is fighting for control
Funny mummies looking so alive
Dance Mashed Potato and did the hand jive

**Hand jive, Halloween hand jive, hand jive
Hand jive, Halloween hand jive, hand jive
Boo! Ah! Halloween hand jive**

We walked up to the very last house
It was dark and quiet like a mouse
Knees were knocking and hearts were beating fast
Why'd we save the scariest for last?
A vampire watched us as we all arrived
He said, "I want to learn to do the hand jive!" Here we go

**Hand jive, Halloween hand jive, hand jive
Hand jive, Halloween hand jive, hand jive
Boo! Ah! Halloween hand jive**
