Social Studies—U.S. Government and the Midterms Final Web

Organization	Content	Connections	Special Features
• Hierarchy of Size: Big Ideas are big; Sub-topics are medium; Details are small • Details are close to Sub-topics they are most deeply connected to • Lines connect Details to their related Sub-topics	• Fewest words to capture information • Breaking down complex ideas into chains of connected details • Thoroughness	Lines connect related Details to each other across the web	Categorizing information through the use of the following: • Different containers • Different strengths of connecting lines • Different fonts • Use of color • Symbols and/or pictures • Key/legend

✓+ = My work demonstrates thoroughness, thoughtfulness and attention to detail throughout

✓(+) = My work mostly demonstrates thoroughness, thoughtfulness and attention to detail throughout; I may have one or two areas where I didn't quite apply this way of working

✓ = I did everything that was asked of me with some degree of thoroughness, thoughtfulness, and attention to detail

✓~ = I did almost everything that was asked of me; I may need to focus a little more on thoroughness, thoughtfulness, and/or attention to detail

✓- = I skimmed the surface of this aspect

– = I neglected to think about this
