

Sort 20 Blue Group Explanation

We are continuing to differentiate between long and short vowel 'o' sounds.

- Long O with a magic or silent 'e' (CVCe) and
- Long O with double vowels 'oa' (CVVC)
- Long O with 'ow' (CVV)
- Short O sounds (CVC).

In this sort oddball word is: whose (not a long O or short O sound)

Hope this helps,

Dianne
