

Sort 19 Blue Group Explanation

We are continuing to differentiate between long and short vowel 'a' sounds.

- Long A with a magic or silent 'e' (CVCe) and
- Long A with double vowels 'ai' (CVVC)
- Long A with 'ay' (CVV)
- Short a sounds (CVC).

In this sort oddball words are: they (long a without ay) and stand (CVC without short a sound)

Hope this helps.

Dianne
