

Sort 22 Blue Group Explanation

We are continuing to differentiate between long and short vowels.

This week 'i' sounds.

- Long I with 'igh' (VCC)
- Long I with silent 'e' (CVCe)
- Long I with Y ending (CV)
- Short I sound (CVC)

In this sort oddball word is **live** as it can be read with a long I as in "I've seen a live snake!" or it can be read with a short I as in "I live in Burnaby."

Hope this helps,

Dianne
