Winter Is Coming

part 1 - first and third times

Days get shorter.
Nights get long.
Skies get cloudy.
Soon the snow will start to fall.

Better bundle up if you're goin' out to play.
You don't wanna catch a cold! (achoo!)
Winter is coming; it's on its way!
And I know what to do!

part 2 - second and third times

I'm gonna find my old fuzzy sweaters,
and I'm gonna find my rubber boots.
Oh, I won't forget my hat or my mittens.
Won't forget to zip my snowsuit.

Gonna pull my sled to the hilltop
if it takes all day! (whew!)
Sliding and gliding!
That's how I like to play in the winter!

part one - last time

And I know what to do!
Wheeee!

part two - last time

That's how I like to play!
Wheeee!
