Visual Dictionary

For each chapter you will be asked to create a visual dictionary of all the key terms.   In this dictionary you will have 3 columns, one for the term, one for a definition and one for a picture.

For Example

Term	Definition	Picture
Ms Hemingway	Funny, charming and intelligent female who appreciates when students hand in assignments ON TIME	

- **This will be collected before each chapter test**
- **One mark for definition (must be from textbook) and one mark for picture**
- **Pictures must be neat and coloured (marks will be deducted for messy uncoloured pictures)**
- **Terms can be completed on the computer but pictures must be** **hand drawn**
- **Some terms are very difficult to draw pictures for *Scientific method* So if you cannot think of a picture, come up with a scenario instead.**
