

Monday January 29, 2024

Dear Families,

Here is a class update on what's happening this week and in February. It will be a busy week ahead and a month full of school events and important days.

Sincerely,  
Mrs. Hon

### **Extra Clothes**

If your child needed to change into a dry pair of pants or something else from his/her bag of extra clothes, please send a replacement item.

### **YAP--Young Actors Project 9** (Tuesday January 30)

We will have our second drama lesson in the morning. In the first session, students learned that drama involves using facial expressions and movement using the whole body. They also practiced using their communication and problem-solving skills in individual and group improvisations.

### **Morning Jump Rope for Heart Assembly** (Wednesday January 31)

There will be a short presentation to kick off this school-wide event physical fitness and fundraising event.

### **Afternoon Anti-Bullying Presentation** (Wednesday January 31)

There will be a presentation on the above topic for all classes.

### **Afternoon Class Valentine's Day Party** (Wednesday February 14)

To celebrate the gift of friendship, we will be having a party in the afternoon of Valentine's Day. Next week, I will send out an online sign-up sheet if you would like to send some nut-free party snacks for the class.

A traditional activity I am initiating is for students to exchange Valentines or friendship cards. The cards can be store bought or handmade. Students are encouraged to print names of their classmates by themselves (this is good printing practice 😊). Please refer to the class list on the next page to ensure no one is forgotten. Students can bring the cards to school as soon as they are prepared.

**District Pro-D Day** (Friday February 16)—No school for students

**B.C Family Day** (Monday February 19)—School closed

**Pink Shirt Day** (Thursday February 28)—More info to come

**Jump Rope for Heart Event** (Thursday February 29)—More info to come
