

Raz-Kids Reading Program Login Instructions

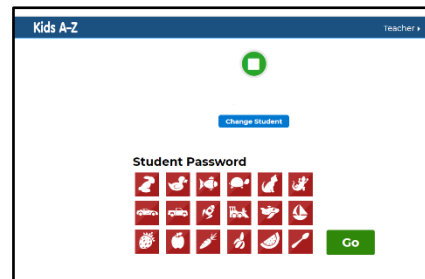

Step 1. On the class blog, click on **Resources** tab.
Then click the Raz-Kids login icon.

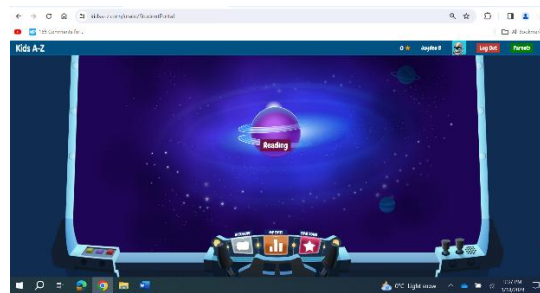

Step 2. Click on your child's name.

Step 3. Enter your child's assigned picture password.

Step 4. You will see this screen.

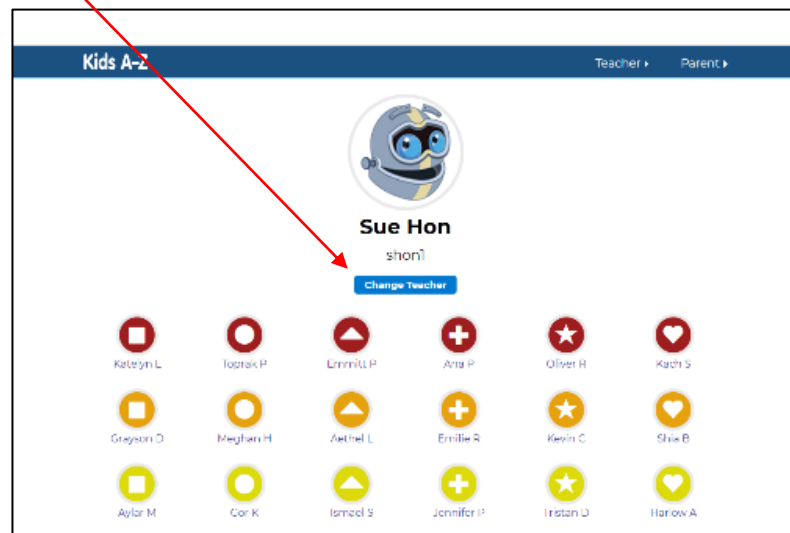

Step 5. On the next screen (below), click on the word **Reading** for your child to read a given text or reading passage. Then he/she will be assigned a reading level and given access to a decent library of levelled eBooks. As an incentive, they can earn stars and badges for their reading.

Step 5. **Log out** when your child is done with using Raz-Kids. Do not click on **Parents** icon on top right corner.

Guidelines & Rules for Using Raz-Kids

- Keep your child's password confidential. A new password will be given if there is a security breach with the account.
- This reading program is to benefit your child's reading and not intended to be used by others (i.e. siblings, friends).
- Do not access other student accounts. There are students not in our class who share the same login page.
- Do not click **Change Teacher** on login page

- Explore reading fiction and non-fiction selections for 15 – 20 minutes. Then have a screen-time break.
