

February 2, 2024

Dear Families,

This week at school, we organized multiple activities to kick-off Jump Rope for Heart, Lunar New Year and Kindness month. Students were given a healthy living checklist and a kindness calendar to take home and complete. Below is information on other events happening this month.

Sincerely,
Mrs. Hon

\$1 Treat Sales (Tuesday February 6, 13, 20 & 27 at lunch)

Homework

There is subtraction with regrouping practise for Grade 2 and 3 students.
For Grade 3s only, there is a reading assignment on thermal energy.

Science: There are a few videos on the class blog on the topic of thermal energy (for Gr. 3) and the topic of forces (for Gr. 2s) for students to view. I will introduce the latter topic next week.

Afternoon Class Valentine's Day Party (Wednesday February 14)

As mentioned in the last update, we will be having a Valentine party to celebrate the gift of friendship. You are welcome to send nut-free sweet or savoury snacks for your child to share with the class. I have decided to post a party food sign-up by the door, starting on Monday, for any parents who want to sign up.

Students will also have the opportunity to exchange Valentines or friendship cards which can be store bought or handmade. It is encouraged that they print names of classmates by themselves. Please refer to the [revised class list](#) on the next page to ensure no one is forgotten. Students can bring the cards to school as soon as they are prepared.

District Pro-D Day (Friday February 16)—No school for students

B.C Family Day (Monday February 19)—School closed

Pink Shirt Day (Thursday February 28)—More info to come

Jump Rope for Heart Event (Thursday February 29)—More info to come
