Dear Parents,

Today students are bringing home their Term 2 report card, so please check their planner pocket. The paper inserts are to be kept at home for personal reference. Please sign on the space designated for second report and return it with your child's planner tomorrow. Like last term, I will keep planners and homework bags stored at school and ready for use after the break.

In addition, please take note of the following items below happening in April and May. It has been a busy school term and we all deserve a restful break. Whether vacationing out-of-town or relaxing at home, I wish you all happy and safe spring break with your family.

Sincerely,  
Mrs. Hon
