

Friday February 13, 2026

Dear Families,

The highlight of this week was our class Valentine's Day celebration. The students put much effort into decorating their bags and were excited to hand out their cards. It was wonderful to see them express gratitude for the written greetings, treats and small gifts they received. Many thanks to the parents for helping your child prepare their Valentine's cards and sending party treats.

Sincerely,  
Mrs. Hon
