

HOW TO GET STARTED

Welcome to the Leadership earthy adventures week! All week long we will be hosting fun activities in room 19 along with a hybrid home and school scavenger hunt to find ways to help the planet!

There are 3 pathways to success, and we invite you to choose 1 or 2 or all 3 pathways to complete your earthy adventures passport! There are 5 challenges under each pathway and after every challenge you are asked to collect a sticker in room 19 or a parent/teacher signature. Secret words will be posted in scavenger locations so keep your eyes open and be sure to tell us the correct password for the correct location!

Prizes will be offered at the end of the week for all completed pathways and participants! Thank you in advance for your support and helping us keep this earth healthy and clean!
