

Friday May 1, 2026

Dear Families,

The students thoroughly enjoyed celebrating our learning of Roald Dahl's *Fantastic Mr. Fox*. I want extend a huge THANK YOU to parents who contributed to our class feast by sending food or beverage items. I also want to bring to your attention two events happening next week.

Sincerely,
Mrs. Hon

Student-Led Conferences (Thursday May 7)

There are still available time slots to sign up for a conference time with your child. Please refer to the April 24th community email for the sign up link.

Morning Walking Field Trip (Friday May 8)

We will be walking with our Grade 6/7 buddy class and supervising staff to release our chum salmon into Eagle Creek, a small salmon-bearing stream that flows into Squint Lake. This activity connects to our learning of animal life cycles and ecosystems. A separate permission form will not be required as all of you have filled out a walking field trip permission form. I will also send out a class reminder next week.

Victoria Day Holiday (Monday May 13) – School closed
