Dear Division 8 Families,

Here is an updated list of school events and housekeeping items to bring to your attention.

Sincerely,
Mrs. Hon

Mural Gifting Assembly (Friday October 16, 9:30 am)

This special event celebrates the completion of our school mural and people in the community who contributed to the project.

Homework Bag

As I mentioned at the Welcome Conversations, students will be given a take-home bag with an activity to complete and return on the next school day. The bags will be sent home usually on Fridays.

Friday Hot Lunch Program & After School Programs

It is a good idea to inform your child in advance if you have ordered a hot lunch. Please note the lunch program is coordinated by parent volunteers from the LCSA (Lochdale Community School Association), and teachers do not receive a list of lunch orders.

Similarly, please let your child know ahead of time if they are scheduled to attend an after-school program on a particular day and I will remind them to go the classroom where the program is held.

Kleenex Boxes Needed

We are in need of Kleenex in the classroom to help with runny noses. I am asking each family to send 1 box of Kleenex labelled with your child's name. A big thank you to the families who have already contributed.
