November 2, 2026

Dear Families,

It was exciting to see both students and staff dressed in costume and showing Halloween spirit last Friday. The students had fun participating in the costume parade and enjoyed receiving Halloween treats from their classmates. A big thank you to the families of Abby, Nova, Easton, Ahmed, Hope, Aurora, Jivan, Brian, Reyansh, Jane and Zaxx for sending sweet treats for all of us to enjoy!

On Tuesday November 3rd, our class will be participating in an afternoon cultural activity to celebrate Diwali. An email was sent to the families of the participating classes with additional information. Although there is no cost for students to receive a small henna design, we ask parents to discuss with their child beforehand to determine whether or not to get a henna tattoo.
