November 6, 2026

Dear Families,

It was wonderful to see the students' fascination and curiosity as they learned about Diwali and the different ways people celebrate this Festival of Lights.

This week, we began exploring the theme of Remembrance Day through stories, poems, and meaningful discussions. As part of our learning, the students will be sharing a short dance interpretation to the song, *I Wish for Peace*, at our Remembrance Day Assembly on Tuesday November 10th. Parents and families of students participating in the assembly are invited to attend and I hope many of you will be able to join us. The assembly will begin at 9:30 a.m. in the gym.

Sincerely,
Mrs. Hon

Happy Birthday to Lara who has a birthday this month!
