

Science 10 Unit 1 Genetics Inquiry Project  
Annotated Bibliography Support

Name: \_\_\_\_\_

Period: \_\_\_\_\_

Date: \_\_\_\_\_

The genetics based inquiry question that I am answering is:

--

Research day 2: \_\_\_\_\_

While researching your topic and question reference (using MyBIB.com) and cite three sources that provide evidence that your answer is true, real and verified.

Pay Attention to:	Questions	Your Answers
Support	What from this article confirmed what you already knew about your question?	
Extend	In what ways did this article deepen your thinking about your genetics question or the question or idea you thought about as you read?	
Challenge	How did this article change or challenge your thinking about the answer to your genetics question, or the question or idea you thought about as you read?
