

EARTH DAY - APRIL 22, 2020

Earth Day is an annual event celebrated around the world on April 22. First celebrated in 1970, it was initially celebrated to demonstrate support for the environment. Now more than ever, we need to take care of our planet! What are some of the ways YOU can help?

1. Recycle, Reuse, Repurpose everything you can.
2. Purchase a reusable water bottle and don't use one-time use plastic water bottles.
3. Plant a garden that is friendly to bees.
4. Walk or bike instead of drive.
5. Your ideas?

For more information on how you can be a part of the solution, go to:

THIS PRETTY PLANET

This Pretty Planet is a beautiful song to celebrate the Earth. Listen to the recording below and learn the melody. Here is a link to the song.

<https://youtu.be/rUre3MvXc4M>

1. This Pretty Planet, spinning through space,
You're a garden, you're a harbour, you're a holy place.
2. Gol-den, sun going down,
Gentle blue giant, spin us around
3. All through the night,
Safe, 'til the morning light.

Do the words (lyrics) in this song make any pictures in your head? What do you see?

You can also sing this song as a round. Listen to the next recording and see if you can hold your own melody while others are singing!

Here is the space for you to write you OWN Earth Day song! Give your song a title too! Use a familiar song, or make up your own melody. Sing it to your family.

MY EARTH DAY SONG - TITLE _____

Now that you have written your song, draw a picture to go with it.

You can send me your picture, your song, and your ideas on what you can do to save the earth to me next week.

Happy Earth Day!
