SOPRANO RECORDER

This guide belongs to _____ in Division _____

HOW TO EARN POINTS

BASIC QUESTS – These are done by completing playing a song for Ms. Karlson. You play them in person in class or at recess.

KEY QUESTS – You must complete each key quest in order to move on to the next level. You can only move to the next level on decided upon dates.

GROUP QUESTS – These are quests that you complete in a group of 2 or more. If you complete the quest, each member of your group will get points.

CUSTOM QUESTS – You can suggest ideas to Ms. Karlson and she will consider it!

SIDE QUESTS – These are extra quests for each level that can be completed for points.

THEORY QUESTS

Each page of theory (practicing note reading, naming notes and rhythms, etc.) completed and completely correct is worth 5 points. (some of these are double sided pages).

MENTORSHIP QUESTS

You can earn 10-20 points for helping another student who is struggling to learn a song and complete a quest. (make sure to be with that person as they play their quest for Ms. Karlson) Exact points to be determined by extent to which they needed help.

COMPLETING YOUR QUESTS

In order to complete a quest, you will perform your piece during class or at recess. You can only complete the quests of the level we are currently working on. When that level is over, everyone must complete the key quest. Then you cannot go back and complete past quests. We will leave time at the end of each class for quests.

- Make sure you practice the song before you try to complete the quest.
- Ms. Karlson will let you know if you pass the quest.
- If you do not pass the quest, you will need to practice some more and improve on Ms. Karlson's feedback before you can pass that quest.
- **Everyone will need to pass the key quest by a certain date.**
