Chaffey-Burke Band Handbook

Dear Band Families,

Your child is choosing to join the 2023 – 2024 Chaffey-Burke Grade 7 Band – welcome!

Learning to play a band instrument is a rewarding journey – some challenges will be encountered along the way. I know your child will appreciate your enthusiasm, encouragement and support throughout the year – thank you in advance!

Please read the following information about this year's Band program expectations. I will post updates on my school blog as needed. If you have questions about the Band program at any time, please email me at Carrie.Lee@burnabyschools.ca

I am looking forward to working with a great group of student musicians as we journey through a year of beginning Band together!

Sincerely,

Ms. Lee, Band and Music Teacher

I know several families are still very concerned about Covid safety. Chaffey-Burke will continue to follow recommendations from provincial health authorities and the Burnaby School District.

Students are welcome to wear masks when not actively playing their instrument. Doors / windows will be left open for better air exchange and circulation, and we will try to space out as much as possible in the rehearsal space. Please speak to me if you have questions or concerns and we will work to find solutions. Thank you!

♪ Please read this booklet together with your child.

INSTRUMENTATION in the Chaffey-Burke Band will include →

Brass	Woodwind
Trumpet	Flute
French Horn	Clarinet
Trombone	Bass Clarinet
Baritone	Alto Saxophone
	Tenor Saxophone

SCHEDULE → Band classes are held on Tuesdays and Thursdays (45-minute blocks of instruction.)

- ♪ This year's times will be confirmed and communicated once school-wide Music, Band and PE schedules are set. (Last year, 1 block was held out-of-timetable, and 1 block was held during class time.)
- ♪ ALL students are responsible for setting up and taking down band equipment for each class.
 - Where appropriate, students may need to arrive a few minutes early / stay a few minutes after class to set up / down so that we can maximize our playing time during class.

INSTRUMENT SAFETY →

- ♪ Be careful with your instrument – it is a very delicate, specialized “machine” that can be very expensive to repair. Please take care of it!
- ♪ When you are not playing your instrument, put it away in the case properly – and close the latches securely.
