

Dear Parents/Guardians of \_\_\_\_\_,

Your child has been chosen to be featured as our étoile de la semaine next week (week of \_\_\_\_\_).

Please help your child select up to 10 pictures and/or objects for their classroom display on Monday. Their display will help the class get to know them better. Here are a few ideas for pictures/objects:

- Pictures of themselves, with family, with pets
- Pictures of their hobbies/passtimes
- A favourite book
- A special drawing they have made
- Any awards they wish to share with the class
- A favourite toy or stuffy

Items will be on display all week and will be returned home Friday. (Please limit your child to no more than 10 items, including pictures). I have also attached a sheet for your child to have completed for their presentation on Monday.

If you have any questions about your child's display or the attached sheet, please do not hesitate to contact me.

Merci!

Mme Lee
