About me

My name is Nina Lu, and I am so excited to have you in my class this year!

- This is my first year at Parkcrest Elementary and also my first year being a classroom teacher. The last two years, I taught in an international kindergarten in China and came back as a Mandarin teacher for Burnaby high schools.
- I love dogs and cats, but I am afraid of birds.
- Outside of school, I enjoy taking care of my plants at home.

I LOOK FORWARD TO LEARNING WITH YOU!
