

# French Immersion Kindergarten Math Booklet/Language Arts Beginner Reading

This booklet is useful for the following:

- Help students learn 1-1 correspondence
- Learning numbers 1-10
- Also can be used as a beginner sight word booklet
- Fine motor skills practice

Print out booklet and 1 star page. You will need 55 stars in total and there are 56 in one page.

Staple the pages together and have your students colour the stars and glue the appropriate amount on each page.

Enjoy!
