

THE CAT CAME BACK

Oh Mister Johnson had some troubles of his own
He had a yellow cat that wouldn't leave his home
He tried and tried to give that cat away
He gave it to a man going far, far away

But the cat came back, the very next day
The cat came back, we thought he was a goner
But the cat came back, he just wouldn't stay away,
away, away, away

He gave it to a farmer, said he'd take it to a farm
The farmer drove the tractor with the cat under his arm
He dropped it in a cornfield, he thought it would be lost
The cat ate up the cornfield, at the farmer's cost

(chorus)

He gave it to a trucker who was going to Mexico
The trucker stopped for coffee at a trucker stop-and-go
But while he was a-paying, he knew that he was stuck
He saw the cat jump in the cab and take off with his truck

(chorus)

He gave it to a pilot with a real nice plane
The pilot could just fly it far away in one day
But the pilot had his troubles, he couldn't touch down
'cause the cat had the controls and made the pilot turn around

(chorus x2)
