

## BLOW THE MAN DOWN

1.

I'll sing you a song, a good song of the sea

***Way, hey, blow the man down!***

And trust that you'll join in the chorus with me,

***Give me some time to blow the man down!***

2.

On board the Black Baller I served in my prime

***Way, hey, blow the man down!***

And in the Black Baller I wasted my time,

***Give me some time to blow the man down!***

3.

Tinkers and tailors and sailors and all,

***Way, hey, blow the man down!***

Shipped as good seamen aboard the Black Ball

***Give me some time to blow the man down!***

4.

With larboard and starboard we jumped to the call,

***Way, hey, blow the man down!***

The skipper's commands we obeyed, one and all,

***Give me some time to blow the man down!***
