

TAKE ME HOME COUNTRY ROADS - John Denver

**G**                    **Em**                    **D**                    **C**                    **G**  
Almost Heaven; West Virginia, Blue Ridge Mountains, Shenandoah River.

**G**                    **Em**                    **D**                    **C**                    **G**  
Life is old there, older than the trees, younger than the mountains, Blowin like a breeze.

[Chorus]

**G**                    **D**                    **Em**                    **C**  
Country Roads, take me home, to the place, I belong,

**G**                    **D**                    **C**                    **G**  
West Virginia, mountain mama, take me home, country roads.

**G**                    **Em**                    **D**                    **C**                    **G**  
All my memories gather round her, miner's lady, stranger to blue water.

**G**                    **Em**                    **D**                    **C**                    **G**  
Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye.

[Chorus]

**Em**                    **D**                    **G**  
*I hear her voice in the morning hour she calls me,*

**C**                    **G**                    **D**  
*The radio reminds me of my home far away.*

**Em**                    **F**                    **C**                    **G**  
*And driving down the road I get a feeling that I should have been home*

**D**                    **D7**  
*yesterday, yesterday.*

[Chorus x2]
