

Circle of Security in Spanish

A secure attachment between child and caregiver is critical to a child's current and future well-being.

*Research shows that secure children have:
increased empathy, greater self esteem,
better relationships with parents and peers,
enter school more ready to learn, and are
able to handle their emotions better.*

**In this 8 part series, you
will learn how to:**

- Better understand your child's emotional world & learn to read their emotional needs
- Support your child and help them manage their emotions
- Enhance the development of your child's self-esteem
- Honour your child's wish to be secure
