**Bink and Gollie: Don't You Need a New Pair of Socks?**

Meet Bink and Gollie, two precocious little girls — one tiny, one tall, and both utterly irrepressible. Setting out from their super-deluxe tree house and powered by plenty of peanut butter (for Bink) and pancakes (for Gollie), they share three comical adventures involving painfully bright socks, an impromptu trek to the Andes, and a most unlikely marvelous companion. "Don't You Need a New Pair of Socks?," deals with a difference of opinion over Bink's choice of new stockings.
