Welcome back. This term the length of time spent reading at home is increasing. Please find time to practice with and encourage your child to read for **30 minutes per day** as a part of the home reading program. Also continue to practice increasing confidence and fluency with reading by **discussing a book both before and after each reading session**. The number of weekly spelling words will also be increasing this term. **I encourage you to revisit and practice past spelling word lists**. This term students will be gaining further practice working with non-fiction type books. It would be greatly appreciated if you could find some time at home to also read non-fiction materials.

Our **library** is open for individual book exchanges from Monday to Friday each week.
