INTRO

G Dm F Am

G Dm F Am

VERSE

G Dm F Am
Lying down in the park, thinking a bit am I lying to myself again?

G Dm F Am
If we could get back to September sweater weather, a new time to begin

G Dm F Am
No, I didn't wanna leave, but you had to go, to the life, you said that you were leaving behind

G Dm F Am
When there's nobody looking in, close the blinds, you and me got nothing to hide,
but it's just

CHORUS

C
Back and forth, all day, all night back and forth, I'm yours, be mine I'm just killing time

F
Back and forth, all day, all night back and forth, I'm yours, be mine I'm just killing time

Dm
A year ago, no, we hadn't met

F
A year ago it was a different life

Dm
Tell me, what's next summer, what's next summer

F
Tell me, what's next summer, what's next summer

C
Gonna look like?

VERSE 2

G Dm F Am
I said it was hard to feel like myself you could feel time slipping away

G Dm F Am
Put your head on my chest in this empty apartment and for once, there was nothing to chase

G Dm F Am
Now you'd have to be a fool not to see it all but at the time, it was just what we knew

G Dm F Am
Need to know what the feeling was like just to know if the feeling was true,
but it's just

CHORUS

C

Back and forth, all day, all night back and forth,

F

I'm yours, be mine I'm just killing time

Dm

A year ago, no, we hadn't met

F

A year ago it was a different life

Dm

Tell me, what's next summer, what's next summer

F

C

Tell me, what's next summer, what's next summer gonna look like?

BRIDGE

G

Dm

It's just the first thing I see when I open my eyes

F

Am

It's just the last thing I see when I turn out the lights

G

Dm

And when you tell me to call, I know the name isn't mine

F

Am

So we keep making excuses, it's just the, it's just the

But it's just

CHORUS
