

BUTTERFLY & FROG

Life Cycle Sequencing Cards

BY: CURRICULUM CASTLE

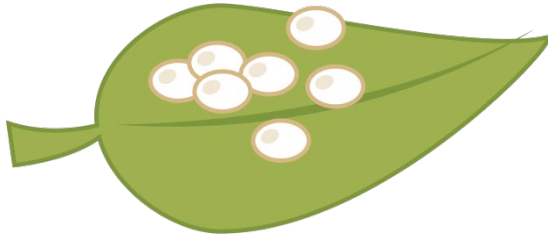

*We hope you enjoy
this life cycle freebie!*

Here are some suggestions for use:

- ✓ Print, laminate and cut out the color cards (pages 3&4). Place them in your science center and have students use the “Life Cycle Order” printable (page 7) to practice placing the cards in the correct order.
- ✓ Print the black & white cards (pages 5&6) for students to color. Have them cut out the cards and glue them in the correct order on their own “Life Cycle Order” printable (page 7).
- ✓ Use the “Life Cycle Order” printable (page 7) to have students draw and label each stage of the butterfly or frog life cycle.
- ✓ We have provided a draw and write for the butterfly and frog life cycles (pages 8&9). Students can write about the stages in the life cycles using “first, next, then, and last”.

Butterfly Life Cycle

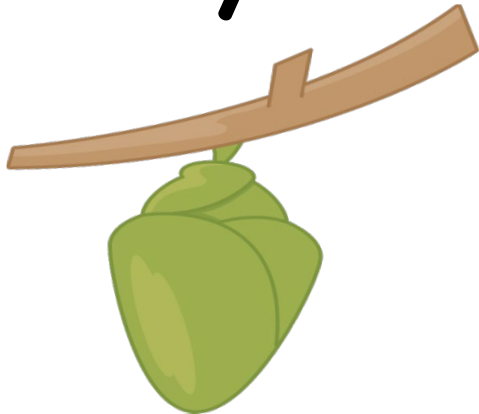

eggs

caterpillar

chrysalis

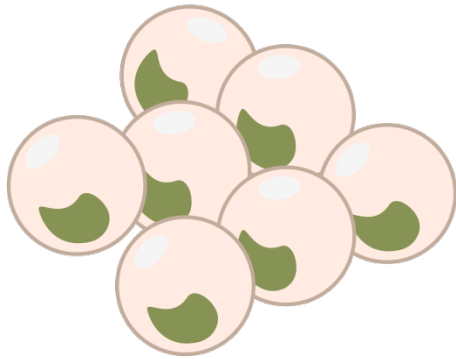

adult butterfly

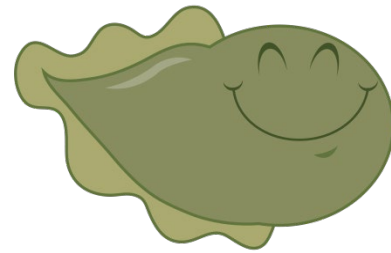

Frog Life Cycle

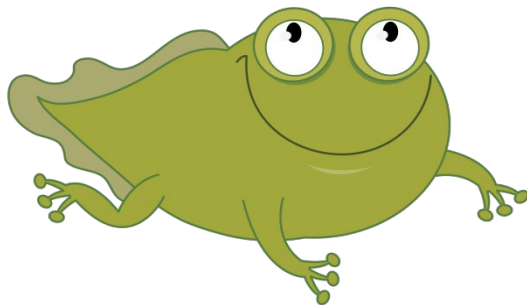

eggs

tadpole

froglet

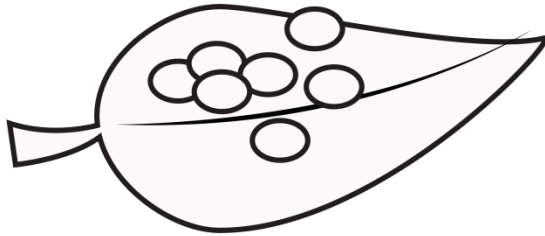

adult frog

Butterfly Life Cycle

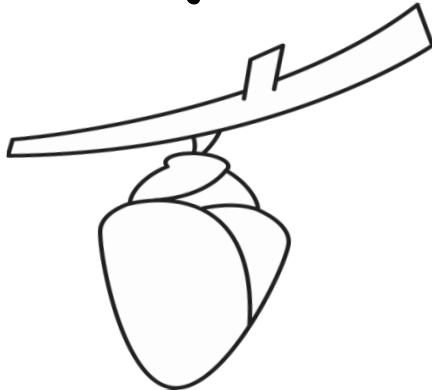

eggs

caterpillar

chrysalis

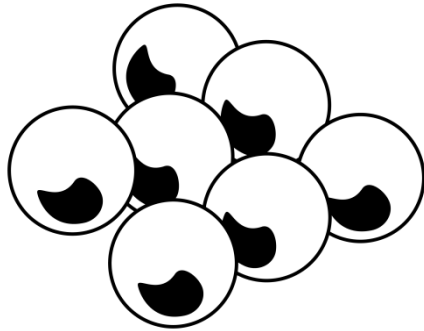

adult butterfly

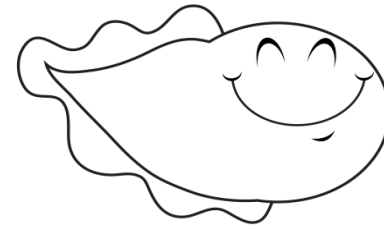

Frog Life Cycle
