

# Division 14 October Newsletter

I like to send out a newsletter at the beginning of every month to give you an idea of what we have been doing and share events for the upcoming month.

## Outdoor Classroom (Everyday)

We will be going outside rain or shine, so please ensure your child has appropriate weather attire. It is helpful to have rainboots at school for outdoor classroom as the kids love to explore and get their feet wet in the creek.

Side note: We are hoping to create a lending library in the future with rain gear. When your child outgrows their gear and if you have no one you are giving hand me downs to, we would love it if you would consider donating it to our school. That way we have some extra gear for when children forget theirs.

## Scholastics

Scholastics books is a somewhat affordable way to purchase books for reading at home with your child. Ordering from scholastics and using our class code also helps me to buy more books for the classroom. I will send a flyer home once a month. You can also look online to see what is available.

Class code: RC124055

## Our learning

This past month we have started to use Jolly Phonics to learn more about letter recognition and letter sounds. We have learned the letters S A T P I N C and K and are starting to blend sounds to sound out new words. We are learning about routines and how to be safe in our space together.

\*Stay tuned for Halloween dates and info

# OCTOBER OUR CLASSROOM schedule

Ms. Raymond  
Division 13
