

Division 13 December Newsletter

Outdoor Classroom (Everyday)

We will be going outside rain or shine, so please ensure your child has appropriate weather attire. It is helpful to have rainboots at school for outdoor classroom as the kids love to explore and get their feet wet in the creek.

Theme Week

During the last week before the break, we will be having theme days.

Day 1: Toques and scarves day

Day 2: Winter sports day (hockey jerseys, medals or ribbons from sports, etc.)

Day 3: Wear red or green

Day 4: Holiday clothes (Christmas sweaters or something that represents a holiday you celebrate at home)

Day 5: PJ Day

Scholastics

Class code: RC124055

Interim Reports

These reports are a snapshot of our learning so far this year. It will hopefully give you an idea of your student as a learner in the classroom. I will be sending home their portfolios as well. Please return them on **Monday December 7** as we use them quite regularly.

Our learning

We are beginning to practice sounding out words independently and learning about how to use the tools in the classroom to help with that. We have been exploring trees and learning to identify different trees by looking at the shape of the leaves. We have an Elf visiting our room and her name is Peppermint.

OUR CLASSROOM DECEMBER schedule

Ms. Raymond
