Guiding Questions for Student Portfolio Share

The goal for the Student Portfolio Share is for you to have a discussion with your son/daughter about his/her learning at school. Your child should be thinking about his/her learning, what he/she feels good about, how to improve next time, what goals he/she has for the rest of the school year, etc.

Here are some guiding questions for Student Portfolio Share while you are looking at your son's/daughter's projects, activities, and assignments.

- Tell me about what you did for this project/activity/assignment.

- What did you like most about doing this project/activity/assignment? Why?

- What part of this project/activity/assignment was difficult or challenging for you? Why?

- What did you learn while doing this project/activity/assignment?

- What would you do differently next time? Why?

- What do you enjoy doing the most in school? Why?

- What do you find most challenging in school? Why?

Here are some guiding questions for Student Portfolio Share while you and your son/daughter are completing your reflection sheets:

- What goals do you have for the rest of the school year? What do you want to work on?

- Is there anything you would like me to know about school or notice about your work?

- What are you proud of? Why?

- What is your biggest challenge? What do you need to work on? Why?
