

Division 13 May Newsletter

Outdoor Classroom Day

On May 20th is Outdoor Classroom Day. On this day we will be planning to spend all day learning, playing, and exploring outside. Please prepare your child for the weather and try to pack a litterless snack and lunch.

Library

We will have library every Tuesday, please return your child's books by Monday or Tuesday each week.

Masks

While wearing masks is not mandatory, wearing masks is a part of our classroom culture so that we help to protect one another as a community of learners.

Scholastics

Class code: RC124055

Show and Tell

We will be starting show and tell this week. On our monthly calendar I have listed which student will be on each day. I will be sending home a sheet for your child to fill out with you about what they would like to share.

Our learning

In March we spent time strengthening our relationships and learning about how to communicate our feelings. This month we have started to explore plants as we begin our next inquiry.

Outdoor Classroom (Everyday)

We will be going outside rain or shine, so please ensure your child has appropriate weather attire.
