

# Division 13 November Newsletter

## Library

Wednesday will be our library day, please return books by Tuesday.

## Outdoor Classroom

We will be going outside each day to explore nature and learn outdoors. We will be going outside rain or shine, so please ensure your child has appropriate weather attire. Things to consider for rainy days.

- Rain boots, rain coat, splash pants

**\*We go outside rain or shine for recess.**

Rain clothes can be left at school if that is your preference. Weather can be a little unpredictable!

## Reports

Our snapshot of our learning so far will be going home on November 19.

## Masks and Hand Washing

Masks are mandatory for all students. Please leave extra masks in your child's bag. I find most students need 2 a day. Consider attaching a lanyard to your child's mask as it will help keep it clean or from getting lost.

Please practice handwashing at home as well, i.e. scrubbing for 30 seconds with soap and then rinsing. This is very important as we are approaching cold season.

## Scholastics

If anyone is interested in ordering books through scholastics our classroom code is listed below.

Class code: RC124055

# Division 13 October Newsletter

## Our Learning

This month we have been starting to establish more friendships in the classroom. We are learning what it means to clean up and keep our learning spaces and cubbies tidy.

We are learning about what it means to stay with the group, follow the group plan, and listen with our whole body. Feel free to ask your child what these terms mean and I think they would be excited to explain.

We are also learning about counting, skip counting, and creating/finding patterns. We started story workshop this month and are learning about different ways to share stories with others.

This month we have been using Jolly Phonics to begin practicing and learning some letter sounds (you can find the songs on spotify or youtube). So far we have learned S A T P I N C K E H and R. If your child is still learning letter sounds it would be beneficial to practice these sounds at home through games.

Grade 1 students are learning and practicing sight words each week. Please have them complete the word practice on Monday nights and return them to school.

We have also started words their way. Please keep an eye out for a notice with more information of how you can support your child's learning at home!

# OUR CLASSROOM NOVEMBER schedule

28	29	30	<p>The best thing about learning is no one can take it away from you. - B.B. King</p>				

# Health check

## Online Health Check

<https://burnabyschools.ca/daily-health-check-for-students/>

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks are now mandatory for students K-12

## Symptoms

Are you experiencing any of the following?  
(check all that apply)

- Fever higher than 38°C
  - Chills
  - Cough
  - Loss of sense of smell or taste
  - Difficulty breathing
- OR -
- None of the above
