

Division 13 October Newsletter

Library

Wednesday will be our library day, please return books by Tuesday.

Outdoor Classroom

Once all forms are returned, we will be going outside each day to explore nature and learn outdoors. During this time your child will have opportunities to build and strengthen their connections to their peers, nature, and their learning. We will be going outside rain or shine, so please ensure your child has appropriate weather attire. Things to consider for rainy days.

- Rain boots, rain coat, splash pants

***We go outside rain or shine for recess.**

Rain clothes can be left at school if that is your preference. Weather can be a little unpredictable!

Masks and Hand Washing

Starting Monday, masks are mandatory for all students. Please practice putting on/taking off masks and how to care for it. Consider attaching a lanyard to your child's mask as it will help keep it clean and from getting lost.

Please practice handwashing at home as well, i.e. scrubbing for 30 seconds with soap and then rinsing. This is very important as we are approaching cold season.

Halloween Party

On October 29, students may wear a costume to school. Please no masks or weapon like items. We will have a class party and watch a short film. Treats are allowed but they must be individually wrapped and nut free. 😊

Scholastics

If anyone is interested in ordering books through scholastics our classroom code is listed below.

Class code: RC124055

Forms

Please **complete/return all forms** as soon as possible (including online). We cannot explore the creek until all forms online have been completed. 😊

Our Learning

This month we have been spending time getting to know one another and learning about the expectations in the classroom. Students are learning the routines and starting to build friendships in the classroom.

OCTOBER OUR CLASSROOM schedule

Health check

Online Health Check

<https://burnabyschools.ca/daily-health-check-for-students/>

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks are now mandatory for students K-12

Symptoms

Are you experiencing any of the following?
(check all that apply)

- Fever higher than 38°C
- Chills
- Cough
- Loss of sense of smell or taste
- Difficulty breathing
- OR -
- None of the above
