

# Division 13 December Newsletter

## Masks and Hand Washing

Masks are mandatory for all students. Please leave **extra masks** in your child's bag. I find most students need 2 a day. Consider attaching a lanyard to your child's mask as it will help keep it clean or from getting lost.

Please practice handwashing at home as well, i.e. scrubbing for 30 seconds with soap and then rinsing. This is very important as we are approaching cold season.

## Scholastics

If anyone is interested in ordering books through scholastics our classroom code is listed below.

Class code: RC124055

## Library

**wednesday** will be our library day, please return books by Tuesday.

## Outdoor Classroom

We will be going outside on **wednesdays** to explore nature and learn outdoors. We will be going outside rain or shine, so please ensure your child has appropriate weather attire. Things to consider for rainy days.

- Rain boots, rain coat, splash pants

**\*We go outside rain or shine for recess.** Rain clothes can be left at school if that is your preference. Weather can be a little unpredictable!

# Division 13 December Newsletter

## Our Learning

We are continuing to practice and learn about many of the things we were learning in November.

As things I have been quite busy, I have kept the same words their way at school for the last two weeks. I will send home the ones we have been working on and we will continue after the break.

## No Toys at School

A friendly reminder that toys from home are not to be brought into the classroom. This is for a number of reasons, sanitary reasons and covid being one of them. The only exception is show and share or if you have spoken to me about fidgets and tools for learning,

## School Spirit Week

**Monday-** Sports gear day

**Tuesday-** Mismatched clothing day

**Wednesday-** Winter wear day

**Thursday-** Holiday colours (wear red, green, white and red) and Holiday poems

**Friday-** Pyjama day and school wide Bingo

## Food Bank Donations

We will be collecting food bank donations over the next week at school! The class that collects the most will receive a treat to share the last week before our break.

# OUR CLASSROOM DECEMBER schedule

Ms. Raymond  
Division 13

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	NOTES
You are the light that makes the season bright.			1 Library	2	3	4

26 B	27 R	28 E	29 A	30 K	31		

# Health check

## Online Health Check

<https://burnabyschools.ca/daily-health-check-for-students/>

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks are now mandatory for students K-12

## Symptoms

Are you experiencing any of the following?  
(check all that apply)

- Fever higher than 38°C
- Chills
- Cough
- Loss of sense of smell or taste
- Difficulty breathing

- OR -

- None of the above
