

Division 13 January Newsletter

Raz Kids

Raz Kids is a great resource as it offers a variety of leveled books appropriate to your child's reading skills. It also offers questions that will help them develop many helpful reading skills. You can download the app onto an iPad or tablet or access it online at <https://www.kidsa-z.com/main/Login>

Extra Clothes and Inside Shoes

If you have not already, please send your child with extra clothes and inside shoes as everything was sent home over the break. Thank you!

Dress for the Weather

We will still be in our snowy/rainy season for the next few months, so please ensure your child has boots, splash pants etc. needed for the day.

Valentines Day (Feb 14)

If you choose to bring in Valentine's for the class please bring them before February 12 so that they can sit for a few days. We will have a little class party if you would like to send a special treat for your own child.

Pink Shirt Day (Feb 24)

Pink shirt day is an anti-bullying day where we talk about inclusion and celebrating all the wonderful things that make us unique. Students are encouraged to wear pink.

Fun Lunch

If you ordered Fun Lunch for your child please send a Ziploc bag to take home garbage/recycling from the lunch. Unfortunately at this time we do not have enough space to dispose of the waste from the lunches.

Division 13 February Newsletter

Please send an extra mask in your child's bag each day. Thank you ☺

Absent

If your child is away please let me or the office know. You can send me an email or let me know in person. You could also email Ms. Boleak or call the office. One or the other is okay.

Our Learning

Students have been practicing sight words and building their confidence identifying letters and also sounding out new words. I encourage you to continue to make time to read with them each night or find books on raz kids that they can practice reading to you. We have also been exploring living and non-living things.

- Fever or chills
- Difficulty breathing

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks continue to be mandatory for students K-12. Please keep an **EXTRA** mask in bags.
