

# Division 13 March Newsletter

## Raz Kids

Raz Kids is a great resource as it offers a variety of leveled books appropriate to your child's reading skills. It also offers questions that will help them develop many helpful reading skills. You can download the app onto an iPad or tablet or access it online at <https://www.kidsa-z.com/main/Login> Please let me know if you need passwords or login info again!

## Spring Break

There will be no school March 12-27 for Spring Break. I hope you all enjoy some family time together and lots of outdoor play. 😊

## 100 Day

March 2<sup>nd</sup> we celebrated 100 day! We did a lot of counting, sorting and grouping materials in the classroom.

## Family Reading (April)

Before Covid began we used to start and end our week with Family reading. I would like to slowly start back into this so my plan is to have family reading outside for the first 15 minutes of our day on Monday's starting in April. As long as it is not raining, this is how we will begin on Monday's. More details will come in the April Newsletter.

## Fun Lunch

If you ordered Fun Lunch for your child please send a Ziploc bag to take home garbage/recycling from the lunch. Unfortunately at this time we do not have enough space to dispose of the waste from the lunches.

Fun lunch sign up will open up again after the break so keep an eye out for that in your emails if you are interested.

# Division 13 March Newsletter

Please send an extra mask in your child's bag each day. Thank you ☺

## Absent

If your child is away please let me or the office know. You can send me an email or let me know in person. You could also email Ms. Boleak or call the office. One or the other is okay.

## Our Learning

We have started a space inquiry and are learning a lot about our solar systems. So far we have learned about the sun and the planets. As we continue our learning we will be learning about the moon and the other interesting facts about space. We are working on writing stories and making books during story workshop.

# Health check

## Daily Health Check

Everyone going into school must complete a daily health check, including staff, visitors, and students. A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Diarrhea
- Cough
- Sore throat
- Sneezing
- Body aches
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks continue to be mandatory for students K-12. Please keep an **EXTRA** mask in bags.
